It's going well

Municipal Council

Your enlarged municipal council (16 people) meets every Monday by conference call. We are here to help you. Thank you to all volunteers. Thank you to the citizens for respecting the instructions.

Ban the gathering in sugar shacks

Gatherings of groups, families or friends in the municipality's sugar shacks are prohibited under penalty of a fine or criminal record

Ring the church bells

The bells will ring Fridays April 3 and 10 at noon and every Sunday at 10 a.m. until the end of April. This is not an alarm warning, but rather to signify that our two communities (English and French) are alive and well.

Draw your rainbow

The municipality is launching a rainbow drawing challenge for children aged 2 to 12 years old. The municipality will then purchase each work of art for a value of 5 \$ per child.

Do you want to participate ?

- 1- You must draw a rainbow with a message «ça va bien aller» and make it visible in your window.
- 2- You must take a picture of the child and the drawing and send it by email to : coordination@kinnearsmills.com.
- 3- All the drawings of the challenge will be displayed in the next «Sons d'Cloches».
